Guide

Guideline

„Own tool“ includes all forms of collegial collaboration, such as *peer coaching*, *classroom observation*, *co-teaching*, *team teaching*, etc. The use of individual tools aligns with the principles of self-directed self-evaluation. To ensure that experiences with your *own tool* can be shared, we ask that you discuss them with other instructors. Please also have a description of your “own tool” ready for your employee interview („Mitarbeitenden Gespräch“).
